Belle Vive Spa & Wellness Centre Committed to Staff Education

Fort Mill, SC (February 27, 2007) – **Belle Vive Spa & Wellness Centre**, a full service upscale salon and spa located in historic downtown Fort Mill, has added new expertise and certifications to its vast array of spa services.

In early January, Centre owner Christy Griffin and Belle Vive team members Christa Eibl, Hannah Dantzler and Kendra Keever completed Éminence Organic Level I Training in Duluth, Georgia, hosted by Éminence Organic Skin Care Products. Additionally, Kendra Keever received a Peel & Microdermabrasion Certification from Éminence. A second team of Belle Vive employees including Christy Griffin, Laurie Lanza, Hannah Dantzler, Amy Cocaine and Anastasia Laney completed Éminence Organic Level II training later that month. “The entire Belle Vive team constantly strives to keep their skills on the cutting edge of our industry. These certifications and the additional services we provide as a result not only distinguish us from other salons in Fort Mill and surrounding areas, but also establish us as a premier salon in the Southeast,” commented Griffin.

About Éminence Organic Skin Care
