FOR IMMEDIATE RELEASE:

Belle Vive Spa and Wellness Centre Offers Natural Hair Replacement Option

FORT MILL, SC (June 24, 2008) - Belle Vive Spa and Wellness Centre, located in Fort Mill, South Carolina, offers a unique hair replacement service that results in a natural-looking image enhancement for men and women who have thinning hair or complete hair loss.

This hair replacement technique utilizes human hair rather than synthetic hair. The hair is adhered to the scalp using a medical grade adhesive, and the result both looks and feels very natural. Belle Vive Spa and Wellness Centre is the only practitioner in the Fort Mill, SC, area that offers natural hair replacement services.

Two Belle Vive Spa and Wellness Centre employees were recently trained in this method of hair replacement: LaWren Keatts and Patricia Delgado. Elizabeth Stock, a fifteen-year practitioner of hair replacement services who has been with Belle Vive Spa and Wellness Centre since their September 2003 opening, trained them.

“We are so proud to be able to provide this option to those who really need it,” says Belle Vive Spa and Wellness Centre owner, Christy Griffin. “It can be life changing.”

Consultations for natural hair replacement are complimentary.
